

# PureWaterCooler™

by VERTEX

## 3-Temp Countertop water dispenser

Largest Capacity countertop dispenser available provides Hot, Room and Cold water without the hassles of 5-gallon bottles. Order optional filter pack or provide your own source of filtered water.

### Standard Features

- Hot, Room and Cold Temperatures from a single source
- Separate hot/cold power switch front panel
- Reboil raises water 15° F over normal hot water temp.
- Automatic heating control at 180 °F with over-temperature shut-off
- Sealed compressor cooling with adjustable thermostat, 37-50°F
- Stainless steel hot and cold water tanks
- Automatic float valve with solenoid feedwater shut-off
- Water level indicator built-in
- Safety lock for hot water faucet

Executive Gray option

## Optional Add-On Filter Pack

Attaches to back of Cooler

- 2 Filtration Options:
  - 2-stage standard filtration takes out sediment, chlorine taste and odor
  - 3-stage adds 50 GPD Reverse Osmosis membrane to remove contaminants
- Adds only 4.5" to cooler depth

Filter Pack installs easily with 4 screws  
2-stage, standard filtration shown
